

WELCOME

Welcome to our virtual exhibition for our proposed development of Milford Golf Club

Thank you for participating in our online consultation today.

CALA Homes is committed to consulting with the local communities in which we build and would like to hear your thoughts on the layout that we are presenting for this site today. We take our inspiration from the character and materials of the local areas in which we build to create developments that complement their surroundings. The quality of our design and our attention to detail is evident in successful developments throughout the South.

If you are unable to access the virtual exhibition and submit your views online, please call 0800 298 7040 and we will arrange for a copy of the proposals to be sent to you so that you may comment either by post or over the phone.
